So what?..You can't hurt us. only you yourself will turn into a pile of goo in the explosion
Of course I know
But as long as I become mutilated it will be big news
Wouldn't that void the image you've been trying hard to maintain?
Rubbish cheating class using rubbish tricks Light it if you dare or don't waste my time
Then light it, idiot

No matter how good we do, nobody recognises us. no matter how hard we work, we never succeeded even once. worth it?

You're no doubt useless

Weak to all extents but keep asking for beats, stupid. However you can't be beaten to fear, or death.

I hate stupid but intractable opponents most.
Isn't it.

Lei, you traitor.

Don't talk bad

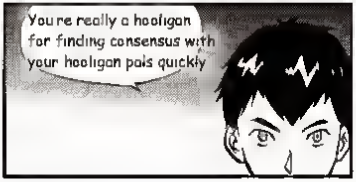
Really? So what do you want to do next?

Nothing Leave them alone, let them fight as they wish



You're really a hooligan for finding consensus with your hooligan pals quickly
